Albuquerque, New Mexico 87185-0202

MOVEMENT OF EXPLOSIVE CARGO

The following procedures and controls govern the movement of explosives **1.1, 1.2, and 1.3**, for Sandia National Laboratories (SNL), within the boundaries of Kirtland Air Force Base. These procedures apply to commercial motor carriers.

The Contractor shall give to the carrier and cause the carrier to pass on to the vehicle operator(s) these instructions.

1. When explosive items are ready for shipment, advance notification shall be made to the Explosive Storage Team. Only one of the following individuals needs to be notified with the approximate date and time of arrival, and type of material being delivered. This will ensure arrangements are made to accept the material.

- 505-845-3157 - Explosive Movement Coordinator
- 505-845-3292 - Explosive Storage Coordinator
- 505-284-2645 - Explosive Traffic Analyst
- 505-845-3278 - Explosive Storage Team Supervisor/Office
- 505-235-8383 - Explosive Storage Team Supervisor/Cellular

You may contact the supervisor at any time regarding shipments of explosives to SNL.

2. Motor vehicle operators transporting explosive cargo onto Kirtland Air Force Base must enter through one of the following gates:

- During operational hours, **Eubank Gate**, located on the east side of KAFB.

Hours of operation are 6:00 a.m. - 6:00 p.m., Monday thru Friday.

- During nonoperational hours, **Truman Gate**, located on Gibson Boulevard and Truman.

Nonoperational hours, 6:00 a.m. - 6:00 p.m., Saturday, Sunday & Holidays.

3. The vehicle shall park at the designated holding area.

4. The vehicle operator will call Sandia Security at 844-4657, 844-4658, or 844-3155 and request a security escort to the 6000 Igloo Explosive Storage Facility.
